Sir,

With reference to Letter No.GAD 409, dated 25th January 1919, addressed to you by the Comptroller, for orders on certain points in connection with the reorganisation of the Medical Department, ordered by Government in their proceedings dated 13th July and 14th December 1918, I have the honor to state as follows.

The promotions and new appointments in the grades of Surgeons and Assistant Surgeons may be notified in the Gazette.

It is not necessary to regard Lady Apothecaries as Gazetted officers. Medical Graduates may be treated in the same way as Probationers in other departments of the State Service are treated, both in respect of being "Gazetted" and as regards Travelling allowance.

As regards the allowances mentioned by the Comptroller, the consolidated allowance of Rs.59 sanctioned to the Assistant Surgeon, temporarily posted for the charge of the Imperial Service Lancers' Depot, will have to be continued. (G.O.No.3842-5/Mil.241-17-7,d/20-8-18)

allowance of Rs.50 and Rs.30, specially sanctioned in connection with the Malnad Improvement Scheme, will have to be allowed to such medical officers in accordance with G.O.No.1929-39-Med 24-13-118, dated 20-8-1915, These allowances do not form any part of the scheme of the Medical Department, but are temporary privileges lasting during the currency of the Malnad Improvement scheme and need not therefore be brought under in the list of allowances to be given to the fixed charges of the Medical Department.

Similarly, the local allowances of Rs.50 and Rs.30 sanctioned to the two medical officers lent to the Sanitary Departmentfor plague and Cholera duty are of a temporary nature, and need not be affected by the Reorganisation scheme with which they have no connection.

The Itinerant and Semi-itinerant Dispensaries in the Hassan and Shimoga Districts are also closely associated with the Malnad Improvement scheme and are temporary till the scheme lasts. These institutions are placed in charge of Medical graduates, and the fact that the Medical Graduates (entertained as 1st class Sub Assistant Surgeons under the old rule) who had been placed in charge of the and had drawn the allowances as Medical Graduates, happen to be promoted to the grade of Assistant Surgeons, need not be allowed to prejudice operate as a bar against their drawing the allowances, since the reorganisation scheme has sanctioned local allowances to malnad stationary dispensaries. As these travelling dispensaries are to be placed under medical gradmates, and as the Assistant Surgeons in charge of some of these will soon be replaced by Medical Graduates or competent Sub Assistant Surgeons, there is no need of including these allowances in the list appended to the order of 14th December 1918.

In this connection I have to bring to notice that certain local allowances have been inadvertently omitted in the list, and these are,

Rs.50/- sanctioned to the Medical Officer in charge of the Imperial Service Regiment (the permanent officer, and

not the temporary additional officer posted to the Depot), sanctioned in G.O.No.798-800-Mil.79-09-4, dated 5-1-1910.and No.G.4924-6-Mil.70-13-2, dated 31-12-1913.

Rs.50/- local allowance sanctioned to the Lady Assistant Surgeon or Apothecary, in charge of the Robertsonpet Maternity, (vide. G.O.No.8334-6-Med.1-14-30,& No.6496-8-Med. 67-15-11, dated 27-4-1915 and 4-3-1916.)

Rs.30/- House tent allowance to the Medical Officer, Head Quarter Establishment. This has been included in the allocation list against the name of Mr.B.Nanjappa, the officer now in charge of the Head Quarter Establishment. It may also be included in the list of local allowances. (Vide No.~~3288~~ 3258-9-Med. 74-08-2, dated 29-9-1908.)
